## "Off The Wall"

### An Exhibition of Drinking Vessels – 2018

The Potters Place Gallery in Courtenay, BC is pleased to announce their Call for Entry "Off The Wall", featuring functional and sculptural drinking vessels.

The Potters Place Gallery is operated by a collective of potters dedicated to promoting public awareness and appreciation of the ceramic arts, supporting ceramic artists by giving them an opportunity to exhibit and sell their work, awarding bursaries and helping potters in need.

The exhibition is open to all residents of British Columbia 18 years of age or older. We hope this exhibition will encourage potters to exhibit their work and help market the artistic creations of potters to the public in BC and across Canada.

Entries must not weight more than 2 pounds and must have been created no earlier than January 2018. Work submitted must be original and the primary material consist of clay. All work must be available for sale and delivered to the Potters Place on or before September 28, 2018. The committee has the right to refuse entries if work is not up to the expected standard. Up to three pieces per artist may be submitted.

Delivery and pick up of work is the responsibility of the participants. It may be possible to arrange group transportation.

We regret that we cannot provide insurance coverage for breakage. We will make every effort to prevent breakage from occurring.
